

What we have to do to comply with Government guidelines and our own Risk Assessment @ The 5PM

SEPTEMBER 2020

In accordance with our Risk Assessment, PLEASE NOTE the following:

1. If you, or anyone in your household, have any symptoms associated with Covid19: a temperature (even if mild); a sore throat; a loss of taste; or a cough; **please do not book.**
2. If you are **vulnerable**, or have been asked to socially isolate, or if you are in quarantine, **please do not book.**
3. A **face mask** should be worn at all times in the building.
4. You may be subject to a non-contact test by a **thermal infrared thermometer** before entry.
5. Your **attendance will be recorded** on entry for 'track & trace' purposes.
6. **Hand sanitiser**, which is provided, must be used on entry to and exit of the building.
7. All **signage is to be followed** to ensure social distancing is maintained.
8. There is to be **no physical contact** between those of different households/bubbles; nor should **groups** from different households/bubbles form inside or outside the church building.
9. We have withheld a few available places so that we can welcome guests not known to us previously. As numbers are strictly limited, when **capacity is reached**, entry to the building will not be permitted.
10. Please let us know if you have **mobility issues** so that we can organise easy access for you.
11. No **refreshments** will be available. This restriction includes water so please bring your own.
12. We can not distribute **Bibles** so please bring your own.
13. **Toilets** will be available but are subject to strict controls, so it's helpful if you can avoid using them, if at all possible.
14. **Children** under the age of 11 must be **accompanied at all times**, including trips to the toilet. A child must not break away from its parent.
15. Please do not leave any **rubbish** so please take it home with you.

If you need more information or have any questions, please email the church office office@enfieldtown.church or call 0208 363 3354.

16. Please comply with government guidelines in your **travel** arrangements. Only travel in a car with members of your own household or bubble.
17. Please **aim to arrive** between 4.30pm and 4.50pm to give us time to seat everyone safely and please remember to keep the 2-metre social distance whilst **queuing**.

Thank you so much for your help in keeping us Covid19 Secure.
